

Proposal Information 2022

We listened! Based on your feedback, the conference format is slightly changed. The 2022 NAPDS Conference will offer these session types:

- **Paired Concurrent Sessions:** Presentations will be paired based on content. Each session will have 2 presentations and a time for discussion. The session will last for 60 minutes and will be structured accordingly:
 - 5 minute introduction by both presenters
 - 20 minute first presentation
 - 20 minute second presentation
 - 15 minute discussion
- **Paired Round Table Sessions:** Presentations will be paired based on content. Each session will have 3 presenters and a time for discussion. The session will last for 60 minutes and will be structured accordingly:
 - 15 minute first presenter
 - 15 minute second presenter
 - 15 minute third presenter
 - 15 minute discussion
- **PDS Questions:** Questions sessions will be paired based on content. Each session will have 2 questions and discussion. The session will last for 60 minutes and will be structured accordingly:
 - 30 minutes first question
 - 30 minute second question
- **Poster Presentation Sessions:** The posters will be all electronic so that presenters can share their research via their own computer or tablet. Computers will be on high-top tables and set so that they can be easily seen by the presenters and the audience. Each session will last 60 minutes with a rotating audience.
- **Affiliate/Committee Meetings:** Affiliates and Committees will have the opportunity to meet for 60 minutes.

*Special Note: The scheduling committee will pair the presentations based on strands and content.
